ENVIRONMENTAL COMPLAINT/ ENQUIRY FORM

Complaint/ Enquiry Received*
Date: 9 November 2016 Time: 14:49 From: Environmental Protection Department (EPD) Via: Email
Complainant/ Enquirer *: Name: Undisclosed Tel: Undisclosed Address: Undisclosed Media: Dust Noise Water Quality Other Description: One barge in travel was complained causing muddy plume by the barge's propeller wash near Tung Chung New Development Ferry Pier at 09:26am on 7 November 2016.

Investigation Report & Response

<p>The Contractor reviewed the vessel and operation records upon receiving the complaint. The location under complaint is confirmed far away from the project area of this Contract and the concerned barge is not from this Contract. This Contract also has no barge travelling from the area near Tung Chung New Development Ferry Pier in November 2016.</p> <p>According to ET's weekly site inspection record, Piers E12 and E13 where is the navigation channel (the works area adjacent to southern landfall, HKBCF) was visited on 2 November 2016. The construction activities were conducted within project site boundary. No muddy plume was observed in association with the construction activities during the site audit on 2 November 2016.</p> <p>Upon reviewing the Contractor's records and ET's site inspection record. The barge under complaint is considered not related to this Contract and the location under complaint is not in the project area of this Contract. Thus, the complaint is considered not related to this Contract.</p>
--

Mitigation Measures and Follow-Up Actions Recommended to Contractor

<p>Since the complaint is considered not related to this Contract, no further action is required. EPD has reminded all Contractors of HKZMB Projects to avoid marine travel in the waters around Tung Chung town and south of Hong Kong International Airport during low tide (email dated 9/11/2016). The ET will keep checking whether the mitigation measures are properly implemented. Improvement actions will be advised if necessary.</p>
